13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)
(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

COG Operating LLC is requesting approval to turn the location with the pits to the south and the V door to the west. This is being done to avoid a high pressure gas pipeline.

COG would also request this sundry serve as notification to start construction immediately.
