13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

This Sundry Notice is for a 3" poly surface flowline providing for the Nafta 8 Federal # 1 Oil well. It is located in the SE/4 of Section 8. Starting date will be as soon as approval is given by the BLM. Time of completion should be about one (1) week from starting date. Please send a copy of approval to Veritas 321 Energy Partners, LP at P.O. Box 173, Midland, Texas 79702 at the attention of Tye Orr.

14. I hereby certify that the foregoing is true and correct
