☐ Plug Back

☐ Production (Start/Resume)

☐ Reclamation

☐ Recomplete

☐ Temporarily Abandon

☐ Water Disposal

☐ Water Shut-Off

☐ Well Integrity

☒ Other Gas Settlement Test

3. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Please be advised that McClellan Oil Corporation will not witness the gas settlement test proposed for the Occidental Federal #1 well pursuant to the attached notification from Frontier Energy Services, LLC. This will serve as our notice to the BLM. In the event BLM personnel wish to witness this test, they may schedule with Frontier without regard to notification or coordination with McClellan Oil.

RE: Settlement Test for October 2003

To Whom It May Concern:

This is to inform you that the Gas Measurement Department plans to start settlement tests on gas that we purchase from outside producers beginning Next month.

If you plan to have someone present to witness the test(s) please contact the Measurement Department or the Measurement Technician indicated below within two (2) weeks of receipt of this letter to arrange a test schedule date and time. To insure complete and accurate testing/sampling please have all equipment on said lease/leases in operation corresponding to the test date/dates on this notice.

If no contact is made, we will feel free to schedule the test(s) at our convenience.

As per BLM Onshore Order5, Sec. 3C #18 the lessee/operator has the responsibility of notifying the Authorized Officer of the BLM at least 24 hours prior to the execution of the test(s).

Please contact the appropriate Measurement Tech to schedule a mutually acceptable day.

Measurement Tech: Reyes Ruiz Office (505) 676-3513 Cell (505) 361-0367
