- 13 Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

In April 2007, Plantation Operating, LLC added perfs and acidized the Eunice Monument in an attempt to place the well back on production. This well is currently SI pending further evaluation. Plantation Operating respectfully asks the BLM for a T&A extension for 1 year so that we may properly evaluate our next course of action.

After 4/08 the well must be online or plans to P & A must be submitted.
