the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once itesting has been completed. Final Abandomment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)  ATTENTION: Wesley Ingram  Per our telephone conversation we need approval as soon as possible so that we can get this off of the OCD Inactive List. Thank you, Linda Good  Chesapeake has ran a new MIT on this TA'd well. Chesapeake, respectfully, request permission to extend the TA status. We are still evaluating for future recompletion in the Bone Spring and Delaware.  Please find the attached MIT Chart.  After 91/2008 the well must be online or plans to P & A must be submitted.
