Re: Farnsworth A Federal #2; API #30-025-09855
Sec. 13, 26S, R36E, Lea County, NM

Dear Mr. Williams:

We would like to follow-up a previous conversation between you and Mr. Matt Swierc of Southwest Royalties, Inc. As previously advised, the landowner, Mr. Jay Anthony, reported to us that hydrocarbons were detected in a groundwater monitoring well he drilled at the former Farnsworth A #2 well site. The Farnsworth A #2 was plugged and abandoned in 2003.

Please let me know if you need additional information or action from us in this matter.

Sincerely,

Dawn M. Howard
