RE: CLEANUP INSPECTION AFTER PLUGGING OF WELL

Gentlemen: "

The Oil Conservation Division Field Representative attempted the final inspection of your Duke #1-F, 19-9-36.

However, the following items are required to be completed before the final inspection is approved and the location released:

Big pile of caliche on location where pad has been pushed up.

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Please check off items as they are completed and return a copy of this letter to this office at the above address, or you may call the above phone number and notify Eddie Seay when the location is ready for inspection.

Very truly yours

OIL CONSERVATION DIVISION

  
Jerry Sexton  
Supervisor, District I
