Dear Mr. Williams:

As per our conversation on November 8, 2007 verbal approval was given to proceed with closing the LANGLIE MATTIX PENROSE SAND UNIT #602, LANGLIE MATTIX PENROSE SAND UNIT #603 and the LANGLIE MATTIX PENROSE SAND UNIT #154. TALON/LPE and LEGACY RESERVES would like to have written approval to proceed with closure using a 40 mil liner in the bottom of the pit and then backfilling. If you would please sign this letter to show that approval was given that would be greatly appreciated.
