13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleting horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleting in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

P&A'D 10/22/07. Prepare to reclaim location.

- * All pits and rat holes will be remediated, filled or leveled.
- * Steel marker over plugged wellbore with permanent identification.
- * Location leveled and all junk, equipment and anchors removed.
- * All environmental concerns addressed by BLM guidelines.

File a FINAL ABANDONMENT REQUEST.
