Re: EnerVest Operating LLC
Drilling Permits
Lea County, New Mexico

Dear Mrs. Mull,

EnerVest Operating LLC (EverVest) has retained Highlander Environmental Corp. (Highlander) to assist them in the permitting of wells to be drilled in Lea County New Mexico. I have attached the C-101, C-102 and other information for the permitting of 3 wells. I have also attached an H2S contingency plan for each well.

If you have any questions about the attached permits please contact me at:
