This Approval of Temporary Abandonment Expires 1/3/13

XTO is currently evaluating the feasibility of reactivating the subject well. We are looking at uphole potential coupled with the possibility of just returning the original completion back to production. We would like to request approval to extend the TA status in order to have adequate time to best evaluate the wellbore.

I hereby certify that the information above is true and complete to the best of my knowledge and belief. I further certify that any pit or below-grade tank has been/will be constructed or closed according to NMOCD guidelines  , a general permit  or an (attached) alternative OCD-approved plan
