Dear Mr. Maxey:

We have been informed by Mr. Joe Janica of Tierra Exploration, Inc., owner of the Landlady equipment, that he has completed the clean up work on the captioned well as required by the Letter of Violation issued November 28, 2007.

It is our understanding that you have personally reviewed the well site and determined that the well site is cleaned in accordance with the rules of the New Mexico Oil Conservation Division. Therefore, we request that you confirm our understanding and issue a decision that this matter is closed.

We appreciate your consideration in this matter. Please do not hesitate to contact me should you need any additional information.

Sincerely,
