(Note Report results of multiple completion on Well Completion or Recompletion Report and Log form)

13 Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work)*

Mack Energy Corporation is requesting approval to lay a production flowline from the Peery Federal #3 well to the Peery Federal #2 well, which will also be our production facility. The flowline will be laid on the surface and alongside of the existing access road between these two wells.

Attached is a plat to use in reference to this pipeline.
