13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleation in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Prior authority to recompleate well to the Glorieta was granted by the BLM 04/13/08, to expire 07/13/2008. The approval of the partners of this Procedure has just been obtained. Now, due to rig availability, we wish to request an additional 90 days to complete this work.

\* By 10/26/08 either return the well to prod or submit plans for abandonment.
