13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

Dear Sirs/Madams:

Please find the attached C-102 land plat that shows the new footage location for the above-noted well.

In addition, please find an amended C-144(CLEZ) permit that shows the corrected latitude and longitude for the change in location.

A pipeline at the original well location was discovered that would cause safety concerns and other issues.
