Re: Request for Temporary Abandonment  
South Justis Unit WSW #3  
WSW, San Andres Field  
Lea County, NM.

Legacy Reserves Operating, LP requests your approval for temporary abandonment of the subject water supply well.

This temporary abandonment was previously denied by your office as we neglected to provide you a pressure test chart documenting a successful mechanical integrity test of the subject casing string. The denied prior C-103 sundry notice was dated August 22, 2008.

Attached to this letter we are submitting a subsequent C-103 sundry notice and the successful mechanical integrity test pressure chart obtained on September 9, 2008.

Please feel free to call me if you have any questions at (432) 689-5218.

Sincerely,

Kent Williams  
Petroleum Engineer
