State of New Mexico **Energy Minerals and Natural Resources** Department

Form C-144 CLEZ July 21, 2008

District II
1301 W. Grand Avenue, Artesia District III 1000 Rio Brazos Road, Aztec, NM 87410 District IV 1220 S St. Francis L

Oil Conservation Division 1220 South St. Francis Dr. Santa Fe, NM 87505

For closed-loop systems that only use above ground steel tanks or haul-off bins and propose to implement waste removal for closure, submit to the appropriate NMOCD District Office.

Closed-Loop System Permit or Closure Plan Application

(that only use above ground steel tanks or haul-off bins and propose to implement waste removal for closure)

Type of action: x Permit Closure

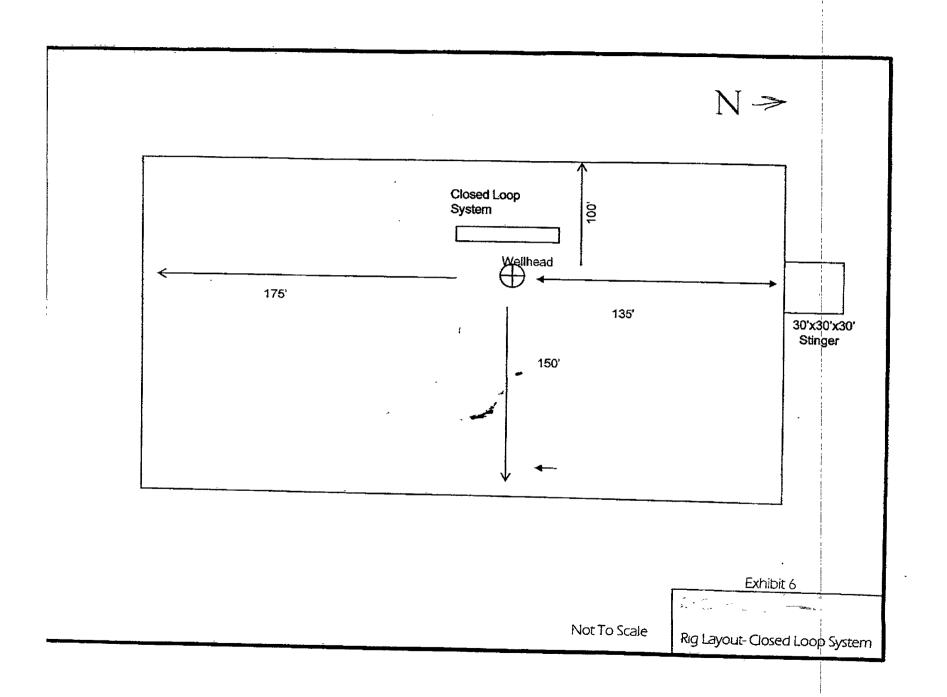

Instructions: Please submit one application (Form C-144 CLEZ) per individual closed-loop system request. For any application request other than for a closed-loop system that only use above ground steel tanks or haul-off bins and propose to implement waste removal for closure, please submit a Form C-144.

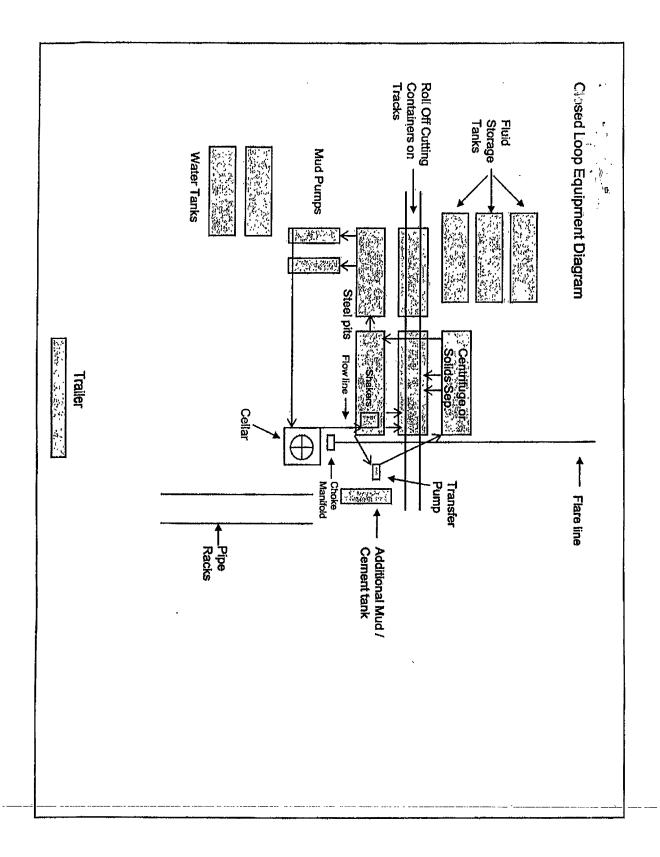

Please be advised that approval of this request does not relieve the operator of environment. Nor does approval relieve the operator of its responsibility to contain the containing the c	iability should operations result in pollution of surface water, ground water or the nply with any other applicable governmental authority's rules, regulations or ordinances.
