Yates Petroleum Corporation wishes to extend the captioned well's APD expiration date for two (2) years to April 18, 2010

Sources at Yates Petroleum Corporation have relayed information to me that they believe there will not be enough H2S anticipated from the surface to the Mississippian formation to meet the OCD's minimum requirements for the submission of a contingency plan per Rule 118

Thank you,

Expires 4-18-09
