13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

**This report is a correction to the 3160-5 that was filed on 4-17-2008 and approved on 5-03-2008. The original report stated this well was temporarily abandond and should have actually said the well is plugged and abandoned. This well was plugged and abandoned 4-16-2008 (actual work done reported on 4-17-2008 3160-5 filing). Please make this correction to the well status in your systems.**
