13 Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

Notification is submitted that Dominion Oklahoma Texas Exploration & Production, Inc. is ready to abandon, reclaim and restore this location and lease road per BLM stipulations. The plastic will be cut from the reserve pit and the pit will be deep buried. The caliche on location and access road will be removed. The location and road will be contoured and re-seeded to BLM specifications. The road will be ripped and disked before re-seeding and an earthen barricade will be pushed up at the entrance of the access road. Dominion is ready to start immediately. BLM will be notified in order to witness re-seeding.
