13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

ConocoPhillips requests renewal approval of Temporary Abandonment status for the above referenced well. A new, valid MIT was run on 8/28/02 and the chart should be on file in your office.

We wish to retain this wellbore while evaluating uphole potential in the Queen and San Andres. This evaluation should be completed within the next 12-18 months.

TA Approved For 12 Month Period
