Attn: Buddy Hill

Buddy,

Regarding the P&A release of the State M #38 G-30-22S-37E 30-025-10525 and the State M #68 I-30-22S-37E 30-025-24299. I asked David Mitchell to take care of the problems listed for these wells in your violation letter dated October 15, 2007. He said the problems had been cleaned up - probably after your letter. Everything listed in your letter has been taken care of.

I apologize for the delay and appreciate your patience. Anything else, let me know.

Thanks,

Joe Compton
