Closure Letter

Fasken plugged and abandoned the Stoltz State SWD No. 1 and submitted Form C-103 on July 15, 2004. See the attached copy approved by Gary Wink. The well has also been removed from Fasken's well list (see attached) indicating all NMOCD issues have been complied with.

The New Mexico State Land Office has recently contacted us requesting a copy of a letter from the OCD stating this "site has been cleaned per NMOCD guidelines and has been closed". Please provide me a letter stating this for our records and that we may get the SLO satisfied.

Please give me a call if you have any questions concerning this.
