13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

ConocoPhillips Company respectfully request to renew the TA status for the above referenced well. A valid MIT was run on 1/15/2006 and is on file with the BLM. The well is currently being evaluated for uphole potential. If determined there is no potential, then a plan to plug and abandon will be submitted. The anticipated review period is through March 2009.

Submit NOI to recompleat or P&A well by 3/30/09. This is the last TA for this well.
