13 Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

ConocoPhillips Company respectfully request to renew the TA status for the above referenced well. A valid MIT was ran on 12/23/2008 and a copy of the chart is attached. The well is being evaluated for plug and abandonment. If the evaluation indicates the need to p&a, a Notice of Intent should be filed by 2nd Quarter 2009 and the actual work being completed by year end subject to all partner approval.
