13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

ConocoPhillips Company respectfully request to renew the TA status on the above well. An MIT was conducted on 11/19/004 and is on file with the BLM office. Our plan is to plug and abandon this well. A Notice of Intent will be submitted by the 2nd Quarter of 2009 with the operation occurring by end of year 2009 pending all partner approval. If for some reason the plugging is delayed, a new MIT will be performed before the expiration in 11/2009.
