OTHER:

13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

- Rig up well service equipment, investigate unknown artificial lift failures, repair and return to production.
- Currently doing road repair in order to access with rig and other needed equipment.
- Wells is down steep hill located below the Caprock.
- Investigating the possibility of access to well on the south end by a different road that will not be using the hill.
- Roads going down the hills are in very bad shape.
- Rigging up on the well in the next week to 10 days.
