13 Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

The original sundry approved on 2/2/2009 indicating our plans for the above well had a requirement date of 12/30/2009 for the work to be done. When the Notice of Intent to do the recompleat was filed, it was approved on 2/28/2009 indicating a requirement date of 10/1/2009 for the work to be done.

ConocoPhillips respectfully request to have the requirement date for the recompleat to occur be changed back to December 30, 2009. *Due Date*
