Dear Mr. Birdshead:

I am responding to your letter of March 10, 2009, addressed to Tom McGuire, Intrepid Potash – NM, L.L.C.

Intrepid agrees not to object to the drilling of the wells referenced in your letter: Lost Tank 16 State #2 and Lost Tank 16 State #3. By its non-objection, Intrepid does not agree to and does not assume the risks of any release of oil and gas or other substances from this well into the environment, including into underground mine workings, arising out of or attributable to Chesapeake's drilling, operating, plugging and abandoning of this well, or the effect on this well of any condition created by existing or future potash mining.

Very truly yours,
