13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomple horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recomple in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

In reference to order No. 04-024-09W and BLM letter to Pride Energy Company dated June 10, 2009, we cordially request a 60-day extension from today, July 17, 2009, to complete the corrective actions for the identified environmental problems. This request is being submitted due to equipment breakdown that was being used in performing the corrective actions. Please note and as discussed with Randy Legler of the BLM, a portion of the identified environmental problems have been completed.
