13 Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

**The plan is to plug and abandon the above well. The a request was sent out to partners on 7/20/2009 and we are waiting on approval. The Notice of Intent will be filed before 9/1/2009; however, we will not be able to get the work done prior to 9/1/2009. In order to manage the Inactive Well List with the OCD, we are respectfully requesting to extend the time period to November 1, 2009 to have the well plugged and abandoned.**
