13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Change operator from Mar Oil &amp; Gas Corp.

VPR Operating, LLC meets federal bonding requirements  
Bond Coverage: Statewide BLM Bond File No. NMB000600.

The effective date of this change is July 1, 2009

Condition of Approval, Change of Operator:

The #4 well last produced July, 2007. Submit plans to return the well to production, include timeframe, or submit plans for abandonment. Reports are missing for the three month period of December, 2008 thru February, 2009. The missing OGOR reporting needs to be addressed with MMS.

If you have any questions, please contact James A. Amos @ 575-234-5909.
