Subject: C-104 & C-105 Skelly "Q" State # 4

Joe,

4

-

I am forwarding to you an email in which it is reported that the leak that happened on the 01/20/09 in the Skelly Q State #4 was repaired. The leak was due to a bad piece in the wellhead. Please advise what we need to do to get approval from the OCD. Thanks.

Juan A. Uzcategui

Operations Engineer
