Re: Sheridan Production Company, LLC
NVANU 2-3
Request for Non-Standard Location
Sec. 1, T17S, R34E
Unit Letter N
Lea County, New Mexico

Dear Sir/Madam:

Sheridan Production Company, LLC request administrative approval of a non-standard location for our NVANU 2-3 well located at 1136 feet from the South line and 2503 feet from the West line of Section 1, T17S, R37E in Lea County, New Mexico.

The well will be a producer in the Vacuum, Abo (North) Field (Pool Code 61760) which is an oil pool spaced on 80 acres. The non-standard location is needed since the well is located 1144 feet from a unit line. The well is located 1136 feet South and 2503 feet West of the lease. Sheridan's Abo lease encompasses all of section 1 and portions of sections 2, 12, 35 and 36 and has common royalty and working interest ownerships. There are no adversely affected interest owners and no one has to be notified of this application.

Please contact me if you have any questions or need additional information on this request. I can be reached at 713-548-1070 or by email at jwilliams@sheridanproduction.com. Thank you for your consideration of this matter.

Sincerely,

Sheridan Production Company, LLC

Joyce A. Williams
