Re: Federal "26A" #3
Lease # NM-26692
EK; Delaware Pool
API #30-025-39008
Lea County

Dear Mrs. Herrera,

I have enclosed the completion report that we spoke about over the phone on Monday October 5th concerning the above referenced well. This completion report shows in the remarks that there is currently a CIBP @ 5900' isolating the EK; Bone Springs perforations and that it will be removed at a later date to down-hole commingle the EK; Delaware and EK; Bone Springs.

If you have any questions or need any additional information please e-mail me at kimt@forl.com or call me at 432-687-1777.

Thanks for your help concerning this matter.

Yours truly,

Kimberley A. Tyson
