13 Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

ConocoPhillips Company respectfully request to TA the above well. As per our meeting on August 27, it is our intent to convert this well for use as a water source well in the continued waterflood development. We would like to ask for TA approval for a two (2) year period. An MIT was ran on 9/22/2009 and the chart is attached.

*THIS IS THE LAST TA*

Approved for 1 year. At that time you must have submitted to the state & BLM to convert well to water source well or submit plans to P&A well to this office.
