13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompletable horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletable in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

ConocoPhillips Company respectfully request to extend the approved TA status of the above well for an additional year or until 12/1/2010. A valid MIT was performed on 12/14/2006 and is on file. This well is in the process of being evaluated/tested for a water source well for operations in the Phase I of the waterflood development.

Notice of Intent to recompletable was submitted 1/21/09 and approved. Work was to be done by 10/1/09. POD states well is to be recompletable also, recompletable as approved or submit NOI to P&A well.

14 I hereby certify that the foregoing is true and correct.
