Gentlemen:

EOG Resources, Inc. plans to drill the Incredible Hulk State Com. No. 2 well as a horizontal well to test the Wolfcamp formation from a surface location 2310' FWL and 1700' FNL of Section 26-14-32 to a horizontal terminus in the SW/4NE/4 of Section 27-14S-32E.

Crownquest operates the State 26 No.4 Well, a Pennsylvanian oil producer located in Unit F of Section 26-14-32. A portion of the horizontal segment of the wellbore for the Incredible Hulk State Com. # 2 will cross the production unit for this well.

EOG respectfully requests Crownquest's consent for approval of EOG's application to drill, complete and operate the subject well from the surface to 100' below the base of the Wolfcamp formation within the boundaries of the proration unit (Unit F) for the State 26 No. 4 Well. If you agree to our request, please execute and return one copy of this letter to the letterhead address.

Yours truly,

Michael M. Gray
Land Advisor

Agreed and consented to this 27th day of October, 2009
