13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Pursuant to enclosed notification from Frontier Field Services, LLC, the captioned well is due for a gas settlement test next month. McClellan Oil Corporation does not plan to witness this test. This will serve as notice under BLM Onshore 5, Sec 3C#18. BLM may schedule per letter.

RE: Settlement Test for December 2009

To Whom It May Concern:

This letter is to inform you that the Gas Measurement Department plans to start settlement tests on gas that we purchase from outside producers beginning Next Month.

If you plan to have someone present to witness the test(s), please contact the Measurement Department or the Measurement Technician indicated below within two (2) weeks of receipt of this letter to arrange a test schedule date and time. To insure complete and accurate testing/sampling, please have all equipment on said lease/leases in operation corresponding to the test date/dates on this notice.

If no contact is made, we will schedule the test(s) at our convenience.

As per BLM Onshore Order 5, Sec. 3C #18 the lessee/operator has the responsibility of notifying the Authorized Officer of the BLM at least 24 hours prior to the execution of the test(s).

Please contact the appropriate Measurement Technician to schedule a mutually acceptable day.

Measurement Tech: Bobby Mallett      Office (575) 676-3515      Cell (505) 361-0392
