Phyllis,

Per our phone conversation today; this well should have been permitted on Federal forms.  
Surface is State Land but the minerals are Federal.

I have talked with David Glass with the BLM in Roswell (575) 627-0275 about this matter.  
He stated that the well should be shut-in, until this matter can be corrected.

Also the property name needs to be changed to Taurus State-Federal Com.

If you have further questions on this matter, please call Donna Mull (575) 393-6161 ext 115.

Thanks Donna
