13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

FRAC TANK STORAGE:

On the monring of Monday July 12th the tank battery at this location was struck by lighting. The fiberglass water tank was destroyed, the two oil tanks were damaged and are not useable, and the catwalk was destroyed. We are using a frac tank as temporary storage for the oil and will not have any sales. The frac tank has been secured to prevent theft. It will take approximately 3 weeks to clean the location and rebuild. A subsequent sundry will be filed upon completion of the new facility.

A Report for Undesirable Event has been sent to Jim Amos with the Carlsbad BLM.

14. I hereby certify that the foregoing is true and correct.
