RE: GG Travis Well No. 1
UL-I, Section 21, T-23S, R-37E
API # 30-025-10820

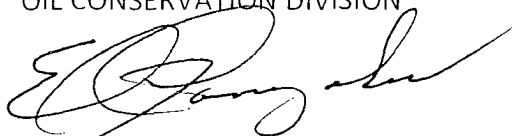

Gentlemen:

Upon inspection of the area and research of Oil Conservation Division well files, we find that this well should have changed operator at the same time you took over the GG Travis Well Nos. 2, 3, & 4.

In an effort to correct our well file records, please file a change of operator for the GG Travis #1 in order that our files will reflect the proper operator of the well.

If you have any questions on this matter, please call the Hobbs office (575)393-6161 and speak to either Buddy Hill (ex 102), Donna Mull (ex 115), or EL Gonzales (ex 114).

Respectfully
OIL CONSERVATION DIVISION
