RE: Skelly Penrose B Unit - Expired T/A'd Wells

Gentlemen:

A recent review of Oil Conservation Division well files finds that the T/A status of the well on the attached list have expired.

The subject wells should be returned to injection/production, tested for T/A status, or plugged & abandoned.

Please contact the Hobbs district office prior to December 31, 2010 to schedule testing.

If you have any questions on this matter, please call the Hobbs office (575)393-6161 and speak to EL Gonzales at ext. 114.

Respectfully
