3. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleation in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

ConocoPhillips requests renewal approval of Temporary Abandonment status for the above referenced well. A valid MIT was run on 10/16/01 and is currently on file with your office.

We wish to retain this wellbore for continued review of 3-D seismic surveys for possible reactivation of this well. This evaluation should be completed within the next 12-18 months.

NOTE: 8 previous TA approvals on file.

*By ending date, either put well to use or submit plugging procedure.
