Re: Form C-105 A. R. Skarda #1  
Sec. 3-2N-32E, Curry County

Dear Sir:

A check of the file on your A. R. Skarda #1 shows that we have not yet received Form C-105 requested in our notice to you of April 27, 1956, although this location has been inspected and is in order. Please give this matter your attention so that we may approve and return to you Form C-103, Report on Results of Plugging, and dispose of this matter.

We are enclosing some blank forms for your convenience.

Yours very truly,

OIL CONSERVATION COMMISSION
