Oil Conservation Commission  
Box 871  
Santa Fe, New Mexico

Dear Dick:

With reference to your letter of June 21, concerning the F. R. Jackson Skarda #1 Well in Curry County the correct location of this well is 330' from the south line and 2310' from the east line.

We have the surveyor's plat in our files thus being the reason for approving the Form C-101 as it was. I am sorry I did not attach a note to the Form C-101 explaining this. If you would like a copy of all the correspondence on this well I will be glad to send it to you.

Very truly yours,
