Box 147  
Longview, Texas

Dear Mr. Jackson:

I have just received Surveyors Plat submitted by G. B. Myers showing location of your well in Curry County.

I am holding Form C-101, Notice of Intention to Drill, filed here June 10, 1949, by Mr. Paul D. Baird which shows the location to be 440' North of the South line and 2120' west of the East Line of Sec. 3, Twp. 2N, Rge. 32E. This does not agree with the location submitted by the Registered Land Surveyor.

I am enclosing blank Form C-101 to be filled out and returned to this office for approval. Upon receipt of approved copy of this form you may then resume drilling operations.

Very truly yours,

Oil Conservation Commission
