Attention Mr Reider

Copy to

Consolidated Gas & Eq Co

Plainview, Texas

Gentlemen-

Enclosed is letters and certified to documents by Mr A.T. Thompson Jr -a Licensed sceredited Surveyor of 220 West Grand Ave Clovis, NM. that Mr Malone of Consolidated Gas & Equipment Co of Plainview Texas asked me to send on to you after Surveyor work was completed.

The Elevation we could not get right at this time, there is a Government marker in the near vicinity that Mr Thompson wired to Washingen, D.C to get its Elevation so that he can survey from it to the well location which is about 2 miles away- and he tells me he should have the information in a short time after his reply from Washington, D.C.

Thanking you I am,

Yours Very Truly

Cash Ramey

Box 328

Clovis, N.M.
