

August 4, 1934

Mr. G. C. Shoenmaker
110 West Grand Avenue
Clovis, New Mexico

Dear Sir:

This is in reply to your letter of
July 31st.

Your drilling bond should be in the
amount of \$3,000.00. However, if you drill
to a greater depth than is specified on your
Form SG-101, "Notice of Intention to Drill New
Well," which you filed with Mr. J. D. Hunter,
State Oil & Gas Inspector, it will be necessary
for you to increase the amount of your bond.

Under separate cover I am sending you
a copy of Bulletin No. 2 of the State Geologist,
entitled, "Laws, Rules and Regulations Governing
the Production and Conservation of Oil and Gas
on State and Patented Lands in New Mexico."

Very truly yours,

LEF

E. H. Wells,
State Geologist.
