RE: RELEASE OF PLUGGED WELL

The Desana Corporation, Allmand #1-H Sec. 3, T4N, R31E, Curry Cty, NM,
is hereby released.

Our inspection indicated no lease name or well number on the dryhole marker. However, since the plugging bond for this operator was released 6/9/89, after a computer check showed no wells outstanding in District I, I see no need to withhold release of this well.
